FISCAL NOTE

HB 2175 - SB 2478

February 9, 2018

SUMMARY OF BILL: Authorizes the City of Cedar Hill in Robertson County to conduct a referendum to authorize the sale of alcoholic beverages at retail and for on-premises consumption, within the corporate boundaries of such municipality.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the 2010 Federal Census, Cedar Hill has a population of 314.
- This note makes no assumption as to whether the referendum to authorize the sale of alcoholic beverages at retail and for on-premises consumption will pass and, therefore, does not account for any increased revenue or expenditures resulting from such sales.
- However, if either or both referendums pass and there are market entrants in Cedar Hill that engage in the retail sale of alcoholic beverages or the sale of alcoholic beverages for on-premises consumption, there would be an unknown increase in state and local revenue. Given the population of Cedar Hill, and the relative limited amount of sales that would be anticipated, any increase in revenue to state and local government is considered not significant.
